Matrix IT Solution Private limited Java-Full-stack Developer Internship Program	1/6/2022 - 12/12/2023

EDUCATION

Dr Babasaheb ambedkar University lonere Bachelor of technology 86.60	2023
Maharashtra State Board HSC	2019
Maharashtra State Board SSC	2017

PROJECTS

“ANTITHEFT MOBILE TRACKING SYSTEM”

Team size :- 5
Front End :- Android development
Back End :- Java
Database :- Firebase
Project description :- Initially the GPS continuously takes input data from the satellite and stores the latitude and longitude. With the help of propose system we can track our mobile. In propose system if we want to track mobile location then we need to send a message to our device, by which it gets activated. Once application gets activated it takes the current latitude and longitude positions values from the GPS and sends a mail to the particular email id which is predefined aregistration Propose system could be used to track children current location

ACHIEVEMENTS & AWARDS

- ✓ I am a good cricket player and performing best performance in University matches
- ✓ I got first ranking in my college
- ✓ Working on Nature - Farmer - Consumer Business Model
